Follow us on:

The secret to having
**Beautiful
Pool Water**
is selecting the right interior
pool finish for you.

**Create the serenity of a pebble-bottomed stream
in your own backyard!**

StoneScapes combines beauty with durability to create the perfect finishes produced with the highest quality materials available. Stronger than conventional pool surfaces and easier to maintain, StoneScapes resists etching, staining, and wear.

**StoneScapes scientifically formulated surface
systems create consistent, dependable color.**

And thanks to our select, smooth, polished pebbles, StoneScapes finishes are easy on hands and feet.

**Ask your builder to show you other pools in your
area and samples of various finishes to help you
with your decision.**

You may also visit nptpool.com to find out more information on pool finishes available to you and view our water color gallery at:

Black Pool Finishes
= Deep Dark Green Watercolor

First, Decide...

whether you would like the water in your pool to appear blue or green.

For water that appears primarily blue,

select a finish with white, blue or gray pigment.

For water that appears primarily green,

look for green, tan, brown or black pigment.
